plan

Cheerful cherry prints and red check sashing make this easy quilt as tasty as pie! To make it even faster, start with 5" x 5" charm squares; keep 80 charm squares intact to use in the blocks, and cut the remaining 27 squares into 2½" squares for the pieced border (you'll have 2 small squares left over).

When cutting red check strips, don't worry about cutting along the same check; strips cut slightly off-grain add charm. Be sure to use an accurate ¼" seam allowance throughout, so the pieced border fits well.
